

WORKSHOP

Ensuring the participation of vulnerable consumers on energy communities: challenges and opportunities.

Marta García París- EPAH team

What are we going to do?

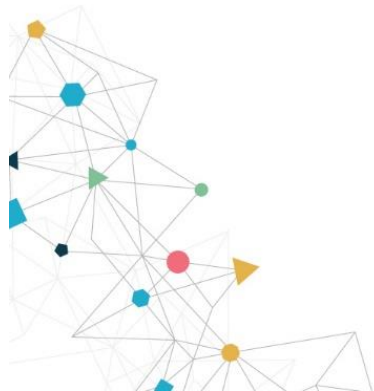

11:30h Welcome

11:40h Validating energy community (EC) actions that uphold energy solidarity and alleviate energy poverty. Heleen Schockaert. Rescoop/CEES project

12h Workshop to identify how VC can increase their participation and remove the identified barriers

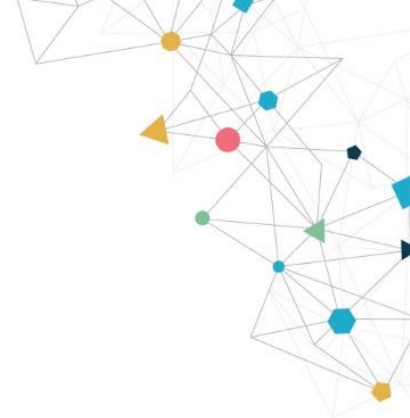

12:30h Debrief and conclusions.

13h

Who we are?

- *How many of you represent public sector?*
- *How many of you represent the private sector?*
- *Who in this room represent civil society?*
- *Any of you represents affected people, people suffering a situation of vulnerability?*
- *Are you aware of an energy community in your region?*
- *Are you aware of an energy community where VC participate?*

Validating energy community (EC) actions that uphold energy solidarity and alleviate energy poverty.

Heleen Schockaert. Rescoop/CEES project

Working session : let's think and propose how VC can increase their participation and remove existing barriers

- *4 groups*
- *Meet each other and agree who will be the spokesperson*
- *Identifying elements: four categories of barriers and post-its*

How to cover investment of vulnerable participants?

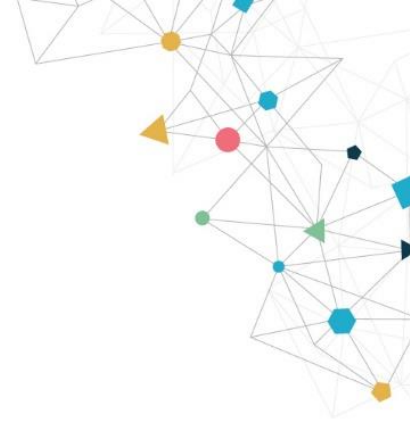

How to ensure their engagement and participation in the EC?

How to overcome communication obstacles?

How to overcome administrative barriers (p.e eligibility criteria)?

For each barrier

- *Ideas to overcome them*
- *Inspirational examples (p.e in other areas)*

Thanks!!!!!!!!!!
